Our diverse and dynamic teams work collaboratively to bring innovative products and ideas to life.

Supporting candidates during the Coronavirus pandemic (COVID-19)

Sandoz continues to monitor the Coronavirus situation with the safety of candidates, associates and patients as our primary concern. During this time, interviews will continue as planned and, where appropriate, will be switched to virtual interviews using readily available technology. If you are currently interviewing with a Novartis Group company and have questions or concerns about your upcoming interviews, please connect with your Talent Acquisition or People & Organisation (P&O) contact.

Be aware of fake job advertisements

Sandoz is aware of employment scams which make false use of our company name to defraud job seekers. Sandoz does not offer any positions without interview and never asks candidates for money. All our current job openings are displayed on the Careers section of our website, where you can search for open positions and apply directly.

If you have encountered a job posting or been approached with a job offer that you suspect may be fraudulent, we strongly recommend you do not respond, send money or personal information, and check our website, <https://www.sandoz.com/careers>, for current job openings
